- ➔ Read the chapter Machines (Image attached) and write the new words in your word meaning copy.

◆ MACHINES

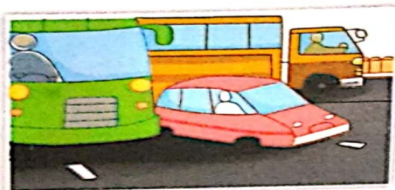

There are many man-made things that make our work easy and save our time. They are called **machines**. Let us read about some machines.

A **washing machine** helps us to wash our dirty clothes.

A **sewing machine** helps us to stitch clothes.

Vehicles are machines that help us travel to places.

A **calculator** helps us to solve sums.

A **refrigerator** keeps our food fresh.

A **camera** helps us to take photographs.

Smart Tip

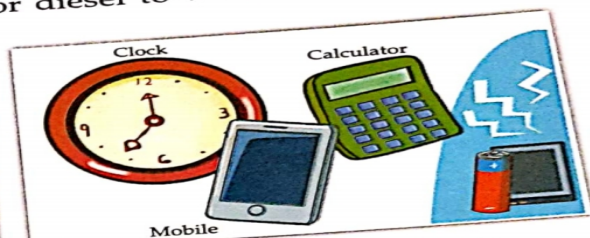

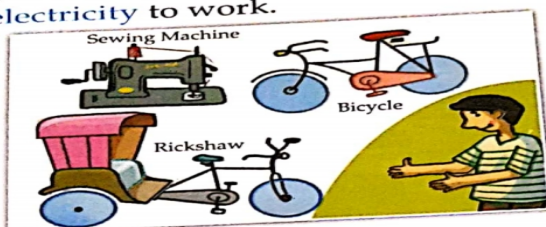

Things such as a book, a water bottle, etc. are made by man but are not machines.
